

## Latitude parties as green tower finish approaches

**Chris Hutching**

Auckland-based Latitude Group held a party mid week to celebrate the

completion of the roof in its Club Tower office building in Christchurch ahead of final construction in a couple of months.

The 10-level building in Hereford St in central Christchurch has already seen eight levels leased unconditionally according to

CB Richard Ellis agent Ryan Geddes. Rentals are \$365-385 a square metre, with operating expenses of \$55/sq m on top of that.
